

**PHI 171 – PROBLEMS OF PHILOSOPHY – FALL 2014**

**MARCELLO DI BELLO – LEHMAN COLLEGE, CUNY**

**ORAL ASSIGNMENT NOTE – DUE NOV 23**

As per syllabus, the course requirements include an oral assignment. This can be fulfilled in one of the following three ways:

- A. 5-10 minute in-class presentation about your ideas for the final paper
- B. 5-10 minute office visit in which you present to me your ideas for the final paper
- C. 5-10 in-class participation in a philosophical dialogue discussing a philosophical question, such as: Is Anselm's argument a good argument? Is free will incompatible with determinism? Can we reduce the mind to the brain? What is consciousness and can it be physical? Is time relative? If you pick this option, you should also agree to stage the dialogue with at least another fellow student.

Please hand in a note in which you select option A, B or C and give me *three possible dates and times* in which you are available.
