

Class summary If were selected to write a class summary (1-3 pages), do the following:

- (a) List the main topics that were discussed in class.
- (b) For each topic, give a brief description of the main ideas. If possible, refer to specific course materials in which the topic in question is explained more in detail.
- (c) Discuss noteworthy questions that you or other students raised during class.
- (d) Assess whether or not the questions were satisfactorily answered during class; explain.
- (e) Discuss what you think were good aspects of the class and what could be improved.

Please email me your summary at the end of the day after the day you were selected.
